

Notice of Investment Level Changes

This letter is to notify you that the Belle Fourche Chamber of Commerce will be changing our membership investment to a tiered structure effective January 1, 2022. This new structure gives you the opportunity to pick the level of support you would like to have from the Chamber. This structure also contains all our 2022 events and sponsorship levels.

In 2021 your business paid the Chamber of Commerce \$_____. All your investments are tax deductible, and we appreciate your support.

Your current invoice attached shows a zero-dollar balance until you choose your new investment level. Please choose the level of investment that you would like to have and send a check with the level of your choice to PO Box 905 Belle Fourche, SD 57717. We will send you an updated statement with your paid amount once we receive your investment.

Please feel free to contact Miranda Gallagher at director@bellefourchechamber.org or call the office at 605-892-2676.

Sincerley,

Miranda Gallagher
Executive Director
